FROM: Herb Meyer

SUBJECT: The US-Soviet Competition for Influence  
in the Third World: How the LDSs  
Play It

REMARKS:

Some work remains to be done  
before this can be published as a  
NIC memorandum. However, in light  
of your interest in the subject  
and your tentative travel plans,  
I believe that now is the time  
for you to take a peek.
